

March 24, 2020

Hello Asheville School Day Parents and Students,

I hope this e-mail finds you safe and healthy at home. Thank you for your patience as we organize how to efficiently return items to our students and their families.

Today, faculty are packing up day student lockers into boxes labeled with your student's name. We will also gather items from the athletic center if applicable. On Wednesday, Thursday, and Friday of this week, you will have the opportunity to drive onto campus to retrieve your student's items. The times will be 2 pm to 4 pm, and a faculty member will meet you outside the Day Hall.

You should complete [this survey](#) to give us more information about your arrival time, athletic items, and which members of your family will be driving onto campus.

Please remember, it is important that visitors to campus are symptom free in the week before their visit and maintain physical distancing when on campus.

Thank you for your patience with this process. We miss you all and look forward to the day when we can all be on campus together again.
