

March 25, 2020

Dear Parents and Students,

Buncombe County and the City of Asheville have issued a stay at home order for 14 days. This will begin tomorrow, March 26, 2020, at 8:00 pm. Asheville School is required to comply with this order. We will be keeping the school operational with a skeleton administrative staff who are on-campus residents. Faculty will continue to provide online learning during this time.

We will cease the opportunities to come to campus to pick-up personal items in the dorms or the day hall at 4:00 p.m. tomorrow (March 26, 2020).

Thank you for your understanding of everything related to the Coronavirus pandemic. Each day the landscape changes and we have to adjust to those realities. It is incredibly frustrating and a real test of my patience. I am certain many of you feel similarly.

We appreciate your ongoing support. If you have any questions, please contact Ben Williamson at williamsonb@ashevilleschool.org or 828-712-5536.

Go Blues!
