

## CLASS OF 2021: STANDARDIZED TESTING TIMELINE & RECOMMENDATIONS

### FALL SEMESTER

- **AUGUST 2019** – During Orientation Week, all 5<sup>th</sup> Formers will take a full-length practice ACT and SAT. Results will determine which test they should prepare for.
- **SEPTEMBER – DECEMBER 2019** – Students will do test prep on White Saturdays. We will offer a few different options:
  - Free prep using a Princeton Review Book or Khan Academy
  - Small-group tutoring for an affordable price
  - One-on-one tutoring for an additional cost (higher cost than small group)
  - **NOTE:** White Saturdays include 12 total hours of prep time. Most prep services, however, recommend 26 hours of practice. For those students ready to commit to 26 hours, there will be an option to prep every weekend.
- **OCTOBER 26, 2019** – Students preparing for the ACT will test on campus.
- **NOVEMBER 2, 2019** - Students preparing for the SAT will test on campus.
- **DECEMBER 2019** – Exams! Though there are ACT and SAT dates in December, we do not recommend them. Students should focus on their mid-year exams.

### SPRING SEMESTER

- White Saturdays will be used for college counseling, not test prep.
- **ADDITIONAL TEST DATES, as needed:**
  - **FEBRUARY 2020** – ACT
  - **MARCH 2020** – SAT (Spring Break)
  - **APRIL 2020** - ACT
- **MAY 2020** – Any student aspiring to highly selective schools (see link below for a list) should also take Subject Tests in at least two different subjects. We will discuss this with students next winter.
