Tentative Itinerary Spring 2024

- **FRIDAY, APRIL 5 | DEPART U.S.** - U.S. flights to Rome depart on April 14. Plan to arrive at Rome's Fiumicino Airport (FCO) between 7:30 a.m. and 9:45 a.m. on April 15. We will travel together to Spoleto. If you cannot meet at this time or have other travel plans, please let us know.
- **SATURDAY, APRIL 6 | SPOLETO** - Arrival and Introduction to the Spoletino Valley. The seat of a Lombard Duchy during the High Middle Ages, Spoleto preserves a vast array of artistic memories from its historical past. We arrive in time to enjoy lunch and a brief rest, followed by a walking tour that will take you from Roman time to the early Christian period, from the Middle Ages to the blooming of the Renaissance. The XII Century Duomo preserves the last fresco cycle by the Florentine artist Fra Filippo Lippi.
- **SUNDAY, APRIL 7 | SPOLETO**
- **MONDAY, APRIL 8 | ASSISI & SPELLO** - After a short ride through the valley, we arrive at Assisi, a magical town that still preserves the atmosphere, colors, and sounds that must have been so familiar to Saint Francis and his poor friars. The Basilica contains examples of the most important frescoes in the history of western painting. After lunch, spend time in the charming Umbrian hillside town of Spello.
- **TUESDAY, APRIL 9 | ADVENTURE TO TUSCANY | SIENA** - Our travels will include stops in Siena and several of the most colorful smaller towns in central and southern Tuscany. In Siena you will be treated to a detailed visit of the *Palazzo del Comune* (Town Hall) with its splendid frescoes and a spiritually charged tour of the resplendent Gothic Duomo. You will have time to shop in the shops that line the colorful streets of the city.
- **WEDNESDAY, APRIL 10 | MONTEFALCO | TREVI** - A morning visit to Montefalco will offer you one of the most spectacular views of the countryside and a chance to taste some of the best wine in the region. A short trip across the valley to the adjacent hill town of Trevi will provide a complete view of the area.
- **THURSDAY, APRIL 11 | FLORENCE** - Florence, the birthplace of the Renaissance civilization, will appeal to the history buff, the art lover, or simply the admirer of nature. Winding through the streets of the old part of town, taking a walk along the Arno River, and visiting the museums or churches will magically put you in touch with many of the greatest minds of western civilization, from Dante to Michelangelo, from Botticelli to Boccaccio. Asheville School alumna Erica (Mitchell) Filidoro '95 will join this tour and add her Tuscan expertise to our time.
