The Blues Experience

BROADWAY MEETS ASHEVILLE SCHOOL

Our drama students recently had the incredible opportunity to participate in a masterclass with renowned Broadway actress Sierra Boggess. Best known for originating the role of Ariel in *The Little Mermaid* and her performances as Christine Daaé in *The Phantom of the Opera*, Sierra brought her wealth of experience and passion for storytelling to our stage. Even more special? She is the sister of our very own music teacher, Allegra Boggess!

Meet Our Faculty

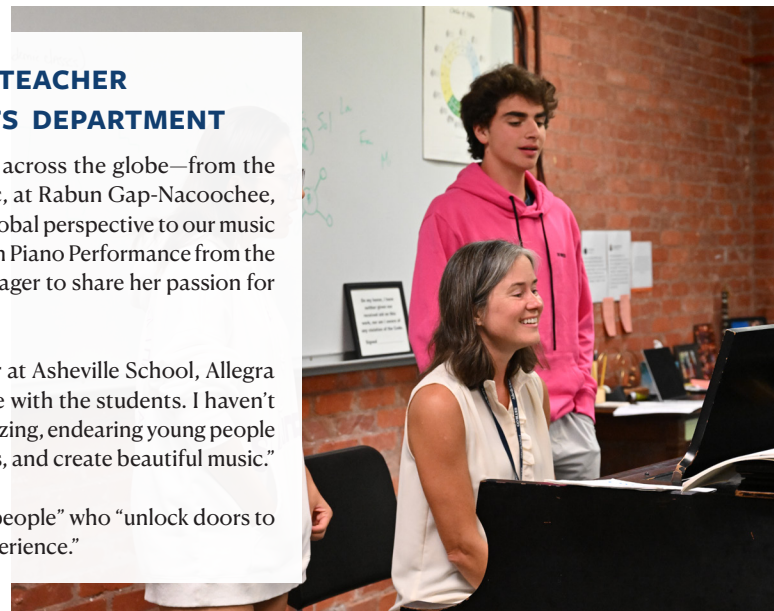

Get to know the educators who bring learning to life, in and out of the classroom.

ALLEGRA BOGGESS, MUSIC TEACHER VISUAL & PERFORMING ARTS DEPARTMENT

With over a decade of teaching music across the globe—from the Afghanistan National Institute of Music, at Rabun Gap-Nacoochee, and in Egypt—Allegra brings a unique, global perspective to our music program. She holds a Bachelor of Music in Piano Performance from the University of Colorado-Boulder and is eager to share her passion for music with our students.

Already feeling at home in her first year at Asheville School, Allegra shares, "Every day has been memorable with the students. I haven't had a bad day yet. I'm surrounded by amazing, endearing young people who are eager to show up, try new things, and create beautiful music."

Inspired by her own music teachers, Allegra believes arts educators are "magical people" who "unlock doors to the 'fun stuff,' which turns out to be the truly important aspects of the human experience."
